DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES. ATTEND TO YOUR COLDS —A case of five years tanding cured by DR. KEYSKR'S PROTORAL SYRUP

DR. HEYERS:—My wife has been sillicted with a bad cough and difficulty of breathing, for five or six years, which, for several yearsback, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured ms by taking one dose. I express my entire satisfaction, with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward. Privisuzon, Jan. 11, 1800.

Pryssumes, Nov. 16, 1858.

Dr. Kryser:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribs bie to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hourseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doese of the above flyrup is would relieve me entirely.

In recommending this medicine, I must unhestatingly say that it is the beat remedy I over found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—Dr. Krreer.—Dear Sir. Excuse the delay of my scknowledging the excellence of your Pectoral Cough Syrup sconer. It is sooked the soise over of my cough and the worst one I was ever afflicted with: I have not user more than one-half of the tottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad count which every one supposed to be consumption. His relatives told me that he had taken every remely they hear of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Byrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JUHMN' GINNIS.

DR. KEYBER'S PECTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles inst week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully,

ANOTHER NEW CERTIFICATE—DE. KEYSER'S
PROTOHAL SYBUP.—I had been troubled with a cough
and cold for several weeks—so bad was it that I could not
sleep. I had the advice and prescriptions from three of
the best physicians in the city, whom I could name, but do
not do so. I finally procured a bottle of your Pectoral
Syrup, which cared me smirely. Signed.

"ATOF THAT COUGHING."—'How can I do it? "Go to Equar's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the advisor's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittaburgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and isboriously for one whole week, in hopes of the firing it cost, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we coughed our way to Reywer's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral," took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Oough Pectoral."—Drotenseille Cipper, Dec. 14, 1859.

The great celebrity and increasing demand for this un equaled preparation, convinces the proprisor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation in use. It cleanses the head and scalp from dandruff and other cutaneous discases, causing the hair to grow insuriantly giving it a rich, soft, glossy and flexible appearance, and also, where the hair is loosening and thinning, it will gry strength and vigor to the roots and restors the growth those parts which have become bald, causing it to yield resh covering of hair.

There are hundreds of ladies and geatlemen in. New York who have had their hair restored by the use of this Invigorator, when all other preparations have falled. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest redectability. It will effectually prevent the hair from turning until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to it to its original hue, giving its dark glossy appearance. As a pertume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great teclilities it affords in dressing the hair, which, when moiss with the Invigorator, can be dreused in any required form so as to preserve its place, whether plainlor in our is hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being
